## SUMMARY

Enthusiastic fresher passionate about software development, testing, programming, and front-end/back-end development. Strong analytical abilities, eager to apply knowledge and work with the company to deliver high-quality results. Adept at collaborating in team environments and continuously seeking opportunities to enhance technical skills.

## EDUCATION

- 2025○
- B.Sc Cs (Artificial Intelligence and Data Science)**  
Shree Venkateshwara Arts and Science (Co-education) College  
GPA - **88.13%**
- 2022●
- Higher Secondary**  
Government Hr.Sec. School Malayapalayam, Erode  
SGPA - **74.83%**

## ACHIEVEMENTS

- Nov 2023●
- Intercollegiate Quiz**  
Won the first place showing strong knowledge & quick thinking.
- Dec 2023●
- Debugging Event**  
Secured the first place demonstrating excellent problem solving.

## HOBBIES

- 
- Self-Learning Coding
  - Reading Tech News & Articals
  - Editing & Designing

## SKILLS

- 
- Programming:** Python, Java
  - Web Development:** HTML, CSS, JavaScript, React.JS
  - Database Management:** MySQL
  - Version Control:** Git, GitHub.
  - Data Analysis and Visualization:** Excel, PowerBi.
  - Hardware & Networking.**
  - Object-Oriented Programming (OOP) & DSA
  - Team Collaboration
  - Debugging and Problem Solving
-

## EXPERIENCE & CERTIFICATES

Pantech Solutions	<ul style="list-style-type: none"><li><b>AI Internship Completion</b> Engaged in the development of machine learning models and honed Python skills for AI projects. [Dec 2023]</li></ul>
ETS Academy	<ul style="list-style-type: none"><li><b>BSS Diploma in Computer Hardware and Networking.</b> [Mar 2025] Bharat Sevak Samaj – National Development Agency, Government of India.</li></ul>
Nativeva	<ul style="list-style-type: none"><li><b>Java Programming Certificate</b> Gained proficiency in Java fundamentals and Object-Oriented Programming. [Oct 2023]</li></ul>
GUVI	<ul style="list-style-type: none"><li><b>Python Programming Certificate</b> Developed proficiency in implementing algorithms and solving coding challenges, preparing for practical use in software development. [July 2023]</li></ul>
Udemy	<ul style="list-style-type: none"><li><b>Front-End Web Developer Bootcamp Certificate</b> Proficient in HTML, CSS, JavaScript, and React. Applied knowledge in developing interactive web applications and user interfaces. [Feb 2024]</li></ul>
LetsUpgrade	<ul style="list-style-type: none"><li><b>DBMS MYSQL, Git, GitHub and Figma Bootcamp Certificates</b> Proficient in DBMS and MySQL through LetsUpgrade courses. Skilled in Git and GitHub for version control and Figma for design prototyping. [Mar 2024]</li></ul>

## PROJECTS

Apr 2024	<ul style="list-style-type: none"><li><b>Python Project: Face Recognition, Detection and Tracking :</b> Developed a system using Python and OpenCV for face recognition, detection and tracking. Implemented machine learning algorithms for accurate real-time detection. Achieved high accuracy and optimized performance through continuous testing. Conducted extensive testing to ensure accuracy and reliability.</li></ul>
Jun 2024	<ul style="list-style-type: none"><li><b>Front-End Project: Netflix Landing Page Clone :</b> Developed a responsive Netflix landing page clone HTML,CSS and JavaScript. Implemented dynamic carousel and interactive elements like sign-in modal and drop-down menus. Mimicked original design with dynamic content and animations. Ensured cross-browser comparability and optimized for various screen sizes.</li></ul>
